4. **Correspondence:** Nothing to report.

5. Old business:

New stacking washer and dryer were purchased.

Toilet for upstairs was discussed on whether to use the one from old change room or purchase new one.

Implements finished and looks great, thanks to all involved.

Tool room in Watson Barn will be completed in 2026.

Sheriff's office and jail will be relocated to the BX barn in 2026.

6. Director Reports:

- a. Maintenance Crew. 2025 we did the stage, Ulli's memorial garden, switched the thrift store from the post to the ice house. Set up Star link
- b. Gift Shop. Both donations and sales are up this year to last year along with our visitors.
- c. Student departure: Well done students
- d. Market update: The market did at least 3 times better than 2024.

- e. 153 Mile Store: Waiting to hear from Patenaudes on whether we can run their Society that is already set up, first we need to know if everything is up to date with CRA.

7. New Business:

REDIP grant applied for we should hear in late Spring if we are successful or not.
BC Gaming grant applied for feasibility study, we should hear by the end of Nov.
We will be applying to Enbridge for a grant for signage outside each building with photo's and a description, to help make our property more inclusive.
Star link is up happy happy. It works great so far.
2026 memberships are now due.
Sign ups for committees; Events, Markets, Garden, Maintenance,
